CPT Global Limited Australian Export Awards Finalist

CPT Global Limited (CPT) is a national finalist in the ICT category of the 2007 Australian Export Awards after winning its State-based Award.

CPT provides independent management consulting and technical services that are geared to be an extension of the IT organisations capability when specialist skills are required. CPT's service goal is to deliver value to all clients by assisting the IT organisation in establishing effective IT operational governance arrangements as well as maximising and measuring the effectiveness of its service delivery. It has offices currently in Melbourne, Canberra, Sydney, Munich, New York and London.

With over 220 IT consultants having worked in 17 different countries its core capabilities include Performance Tuning, Capacity Planning and Cost Reduction Services Management. In the last financial year, CPT achieved a 33 percent lift in revenue to \$41 million of which domestic sales totalled \$32 million.

The Australian Export Awards are co-presented by Austrade and the Australian Chamber of Commerce and Industry and have invaluable support from sponsors. Ernst & Young sponsors the ICT Award category in which CPT is a finalist among five other companies in the ICT sector.

Austrade CEO, Peter O'Byrne, said that 79 companies from across Australia had been selected as finalists in the Australian Export Awards from 451 entrants.

"The 79 businesses that are finalists in the 2007 Australian Export Awards in the last financial year generated export earnings worth \$11.6 billion and directly employed more than 38,500 Australians," Mr O'Byrne said.

"Selecting 12 category Export Award winners, as well as the overall DHL Australian Exporter of the Year, from such a quality field is a demanding task. It is a challenge we are fortunate to face because of the significant contribution these companies make to Australia's international business profile and to the prosperity and living standards all Australians enjoy," he said.

The Australian Export Awards are now in its 45th year and are acknowledged by the business community as the most prestigious industry awards recognising and rewarding excellence and innovation in exporting. The Australian Export Award winners will be announced at a Gala Dinner and Awards Presentation in Brisbane on 22 November 2007.
